PARTY LEADERS SEE BRYAN

Visited by Several Delegations, Including Two Labor Men.
Lincoln, NEB., June 29.—The members of the Illinois delegation this morning visited William J., Bryan at Fairview. They were shown about the house and grounds by Mr. Bryan, The party, bound for Denver in five automobiles, had a most discouraging experience on the way from Omaha to Lincoln. Rain and mud impeded the progress of the machines.
Ewill you support the good roads plank at the Denver convention?" ask.
Mr. Bryan, assuming a serious air.
"We are unanimously for it," answered one of the members of the delegation.

The delegation left for Denver this afternoon.

The managers of Judge George Gray's presidential canvass, Josiah Marvel, of Wilmington, Del., and J. R. Beamish, of Philadelphia, arrived in Lincolp this afternoon and paid a visit to Mr. Bryan. The two gentlemen were frank in declaring they were doing no missionary work for the Nebraska candidate, but they believed Judge Gray had a chance to win, and they were working hard to that end. Their feeling for Mr. Bryan. they said, was cordial. The strength of Governor Johnson, af Minnesota, Mr. Marvel thought, had been underestimated. L. J. Handy, of Wilmington, Del. will second it, Mr. Marvel thought, had been underestimated. L. J. Handy, of Wilmington, Del. will second it, Mr. Marvel and Mr. Beamish left at midnight for Denver, where to-morrow they will establish Gray headquarters.

This evening Mr. Bryan was visited by James J. Purcell and Samuel De Nedry, two labor lenders of Washington, D. C., who will probably attend the Denver convention. After their visit they said they work satisfied with Mr. Bryan's attitude on the question of court injunctions.

NOT GOING TO DENVER

Presidential Nomination or Nothing, Governor Johnson Declares.

DES MOINES, IOWA, June 29.—"I am Bot going to Denver," said Governor Johnson in an interview here to-day, "The story was out that I would be there, but it is not true. I propose to attend to my own knitting and run the State of Minnesita in the best possible way and do a liftle Chautauqua work on the side. However, I will be represented at Denver. Mr. Day and other good political friends of mice will be there. They will attend to my interests, if you call it interests."

"If Bryan is the choice of the convention will you seek recognition from the national party by agreeing to accept the vice-presidential nomination?"

"No. no," he said, hurriedly, "I am a candidate for the presidential nomination of my party. If I do not get it I am not a candidate for anything else. My friends strictly understand this point. They know conclusively that I do not seek other than the nomination for the first place. It is up to the party. If they think I can add strength to the ticket as presidential nominee, then I am ready to give the best lendership that I possibly can to put the party into national power."

Governor, Johnson addressed the Chautauqua assembly here to-night.

CUMMINS MAY RESIGN

Despnir of Gaining Entrance to Scante
Said to Be Moving Cause.

DES MOINES, IOWA, June 29.—Governor Cummins, leader of the "progressive" Republicans in Iowa, and the political opponent of Senator Dolliver, is contemplating resigning, but said last night that he had not finally decided. His party friends urge him to remain an office, but his personal friends urge him to resign.

The moving cause of the Governor's wish to quit public office, it is said, is alis despair of being able to serve his State in the United States Senate. He was been informed, it is said, that Mr. Carroll, the Republican nominee for Governor, who, beyond doubt, will be elected, would not appoint him to any vacancy created by the death or III health of Mr. Allison.

In the final round the fighters went in to slug and fought hard to the end with honors about even.

When Fireman Hurison entered the basement rooms he found the charred body of Mahoney on the ruins of the bed.

A Tonic for **Debility**

A condition of general debility, aside from its discomforts, is dangerous, for it is an invitation to every acute disease we meet.

Mr. John F. Williams, of 911 Lincoln St., Anderson, Ind., says: I was run down and suffered a great deal from sick headaches and pains in the back. My stomach was weak, appetite poor and complexion sallow. I had nightsweats, which so weakened me, that I had little interest in my work. I tried several doctors but got no better and remained in this condition until I read about Dr. Williams' Pink Pills and started to take them. I got so much relief from the first few boxes that I used them until I was entirely cured."

She jumped out and started toward the house on a run, followed by her sister. Mrs. Cohan fell over a flower pot and sustained injuries which, while not serious, will confine her to the house for several days. A Japanese valet shot the dog.
